# MICHELIN TRACKER

Motocross or Enduro, you no longer have to choose!

### SUITABLE FOR ENDURO AND MOTOCROSS, AND TRAILS

Developed using Michelin's expertise in Enduro and MotoCross, this tire is pure pleasure! Spend your time riding, not changing your tires to suit the terrain!

### FOCUSED ON GRIP

A wear-resistant multidirectional tread to maintain stable performance as the tires wear. Dynamic tread blocks have been developed to increase traction and braking performance.

### MULTI DIRECTIONAL

Both front and rear tires are reversible allowing the possibility of turning the tires as they wear to present fresh, sharp edges to improve grip and penetration when directional tires would need changing.
