

Off-road traction and on-road comfort, with durability

- *Excellent off-road traction in its ON/OFF road class*
- *Longest Tread Life in its Class*
- *A smooth quiet ride*

1. Excellent off-road traction in its ON/OFF road class

- > **Michelin® Biting Edges™** - notched blocks in the tread pattern - dig into nearly any surface for better off-road traction on dirt, mud, gravel, and wet grass.

2. Longest tread life in its class

- > The optimized contact patch shape, provided by MaxTouch Construction™, helps deliver exceptionally long tire life under the toughest conditions.

3. A smooth quiet ride

- > Michelin Comfort Control Technology™ design and precision manufacturing to offer greatly reduced vibrations and road noise.
